

Remarks/Arguments

In the Claims

Claims 2 to 31 have been cancelled as they have been allowed and will issue in the parent application.

Claims 32 to 50 are new and have been added to better encompass the full scope and breadth of the invention notwithstanding the patentability of the original claims.

Allowance of all claims is requested. Issuance of the application is requested.

It is requested that the Examiner issue only written Office Actions and communications in this application.

Respectively submitted,

Stephen B. Ackerman
